OUR WAYS ARE NOT MY WAYS O MAN.
FOR EVEN AS I AM THE CAUSE OF
THEE, SO, YOU ARE THE EFFECT OF ME.

WHEN YOUR DESIRES AND WORKS
ARE ALL FOR SELF, YOUR SENSING IS IN THE
REALM OF EFFECTS. YOU CAN ONLY SENSE MY
CAUSING WHEN YOU DO FOR OTHERS, THEN YOU
ARE SERVING MY CAUSES.

WE ARE TOGETHER, YOU AND I. WHEN YOU
SERVE MY CAUSINGS, I SERVE YOUR EFFECTS,
WHICH IS THE YOU OF ME.

RECIPROCATION IS EQUAL AND OPPOSITE IN
MY LAWS, AND THOSE WHO SERVE MY CAUSE WILL
REAP THE REWARD BY SENSING ME IN OTHERS.

SPACECRAFT CONVENTION

The Spacecraft Convention to be held at Giant Rock Airport on May 31st, and June 1st, will feature top entertainment this year.

Cliff Rose and a group of Hollywood movie stunt men will head the entertainment with rope ladder tricks beneath an airplane and spectacular parachute jumps. They have an added thrill in store for the crowd which will not be explained until the convention.

Prof. Neleh one of the worlds top magicians will perform amazing feats of magic.

Several of our friends who are movie stars and spacecraft enthusiasts, will be here.

All of the top people in spacecraft investigation, authors, and contactees, are being invited.

If plans work out there will be a flying saucer movie on Saturday night May 31st.

Dozens of spacecraft clubs are coming en masse. People from all over the country are making reservations at motels in Yucca Valley, Joshua Tree and Twentynine Palms.

The program will start at 10:00 A.M. both Saturday and Sunday. Spread the word. Come and bring your friends.

Materialism - "Technical advances are inevitably driving us toward the grossest kind of materialism. Before long the social system of bee life will become universal."

-Nikola Tesla.

DESCA ON NON-RESISTANCE

If it were possible for each of you to reduce your point of view to that of a particle of dust, or a molecule of air, you would discover that the breath you take creates a virtual hurricane in other levels of life.

From your own point of view, you create hurricanes in the emotional bands and frequencies of life. In the act of walking you set up motions in whole galaxies of atoms, and yet you hear no complaint of the disturbance.

In the micro-cosmic space and levels of life, the individuals there lack the means to express themselves. There in your physical, mortal level, as beings of God-given abilities, you should not stoop to lowering your frequencies, nor create blanks in your electrical record, by becoming disturbed over little things.

The universe is so established that opposites in viewpoint, emotional outlook, and polarity are attracted to each other.

The greatest thing that prevents complete fusion of individuals, is the space that separates them; the insulation between lines of force, between atoms, molecules, and in your case, people.

When someone is disturbed over an incident, of whatever nature it may be, or does not do something exactly as you think they should, do not allow these things to disturb your emotional equilibrium; for then you have created another disturbance in the universe to add to the ones that already exist.

The strange part of this insulation between individuals, this Universal Mind, this Infinite Intelligence which separates you, is that the more disturbed you become in an argument with another, or a dislike, or even hidden thoughts, the thinner the insulation becomes between the two opposites. The balanced intelligence of Infinite Mind will get out of the road. This allows the opposites to be attracted closer and become more opposite. If the nature of the thought, or action,

becomes heated enough, conflicts may follow in your mental state, your emotional and electrical bodies, that will cause greater damage than you realize.

There is always one solution to contact with an opposition. Make the distance between your viewpoints, or emotions, greater. Walk out, get further away, or say nothing.

The very act of non-resistance, whether it be in thought, word, or action, will cause the opposition to lose its fire. It cannot function without resistance. So long as you maintain complete control, the insulation between the opposites will remain full and complete and nothing can happen to you.

This you must know sooner, or later, in your level of life. Sooner or later every individual must learn that the way to happiness, stability, and control, is through non-resistance.

Each of you there may take issue with something that appears to be great at the moment, but with the practice of non-resistance and control of your emotional self, you will broaden your concept to a universal viewpoint and you can observe the opposition from many sides, rather than from the viewpoint of an individual.

Each individual in order to make this work must maintain their own control, confine their thoughts to analysis before expression, and not be troubled by insignificant things of a material, or immaterial nature.

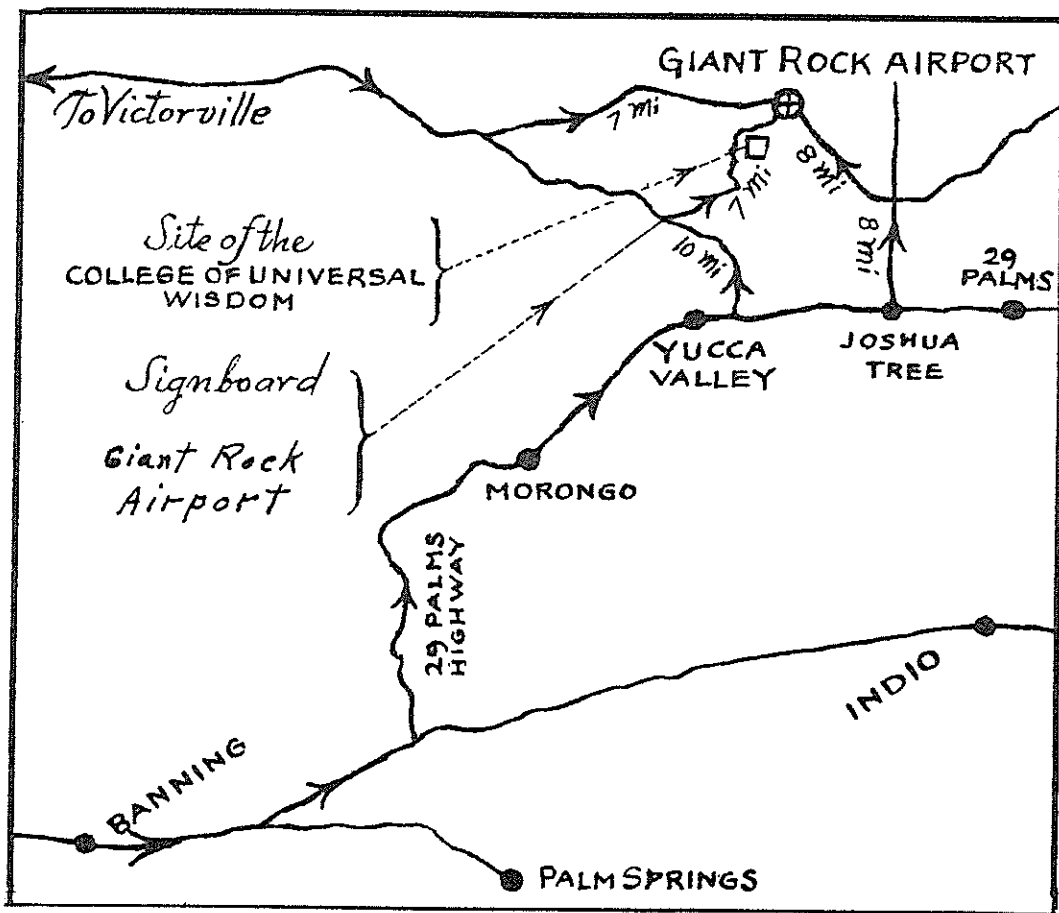

NOTICE

Private Wire Service

Since the wire services of the controlled press are playing ball with the military, and suppressing spacecraft data, we urge you to make a write-up about the Spacecraft Convention, taken from this issue of the "Proceedings"; and have it printed in your own city papers. Copy the events, dates, and entertainment information and the place, at Giant Rock Airport, Yucca Valley, California, and take the news to your local paper.

If they refuse, or do not write it up, let us know the name of the paper.

Thanks, *J.W. Van Tassel.*
